FRESH FROM THE PRESS

Now the weather has taken a wintery turn and the nights are getting darker, I am ready to go into full hibernation mode. I’m talking onesies, binge-worthy TV, and rarely leaving the house.

Although, I do have plans to feast at Wylam Brewery’s ‘Argie Bhaji’ weekend – and the warm glow of the fire pits at Hadrian’s Tipi does look quite cosy. I would also quite like to visit Fenwick’s rooftop cinema to catch a film, and while I’m there I may as well check out the Christmas shop to get some ideas… it’s never too early to start buying presents!

While I’m thinking about Christmas, I ought to see what the Christmas Village at Times Square has to offer – I hope there’s mulled wine! And I really wouldn’t want to miss the Christmas lights switch-on either… There is just too much going on in NE1 this November – hibernation will have to wait! Has anyone seen my coat?
